

Bagong Silang Church Victory Report

Our recent youth camp was held in Tagaytay CCT, we are grateful to God for He let us be in a convenient place where we can worship God together. We are also thankful to all of the American preachers and young people visitors including the host church who once again made this youth camp possible.

It was a blessed 3 days of hearing God's word, worshipping God with all liberty and having fellowship with everyone, indeed it was a wonderful days of the revival of the spirit. We praise God for the three of our young people from Bagong Silang church received the Holy Ghost for the first time. God is really on the move, He prove it again, Glory be to Him!

After the youth camp one of the youth visitor, Sis. Tiffany from Bryan Texas stayed here for one month. We are happy having her here. She was a great help to the work in God's kingdom. She was a blessing to everyone especially to the young people. She teaches in Bible School, teach young people new songs and teach children. Praise the Lord.
