

**BAGONG SILANG CHURCH VICTORY REPORT  
MONTH OF FEBRUARY 2016**

Praise the Lord

Sis. Evelyn Rañada is 53 years old, mother of Sis. Onyx Minh. Sis. Evelyn testifies how God did a miracle into her life. Month of August 2015 she felt in her right breast has a big lump like a chicken egg size and shape, she seek an advice to our pastor Eld. Cajanding. Then she and the doctor said she need to undergo for biopsy to determine whether her right breast is positive or negative in cancer. But she still praying and have faith to God that God can put out this lump into her body and she knows that God will cast away all her illness.

Then she came to her Christian friend a reflexologies to consult her condition, her good friend suggested a hydrotherapy, that time she pray and have faith to the God that her illness is gone after the hydrotherapy suddenly the swollen lump was gone, thanks God for the miracles.

She never loses her faith to God, despite of her illness, it gave to her more motivation to be strong and closer to god, and she never felt stress or depression because she knew the God that we serve is a great doctor. She said that she learned a lot of what God has done to her, not all the circumstances has a negative impact in our life but this the way that is given to lead us in the path of the Lord. She gave thanks to our beloved Elder. Eld. Cajanding for always being there to help us and pray for us and to all the prayers and help of the brethren. God knows what we need, He is a Great doctor.

To God be the Glory.
