

Bagong Silang Church Victory Report
For the Month of October

Greetings in the name of our Lord Jesus Christ!

Last month of October , two of our young ladies here in Bagong Silang were baptized in Jesus Name. One is the daughter of Sis. Lemen Ugbamin and the other one, the daughter of Sis. Mardoquio. Both were already filled with the Holy Ghost before baptism. Praise the Lord!

Also we've been blessed in the recent youth camp. Young people from different churches in Luzon come together in one place to praise the Lord. We have been renewed by the touch of God and we're glad because one of our regular visitors named Mary Joy Chacon (sister of Bro. Marlon Chacon) a young people from Bagong Silang church received the Holy Ghost first time in one of those services, and decided to be baptized a week after the youth camp. Truly God is working on Sis. Mary Joy's heart. We are thankful to God for these Godly gatherings.
