

Victory Report for the Month of December 2016

Praise the Lord! A victorious day to your office. We are so blessed with many victories we continue received from God. We thank God for His provision and guidance to us. His protection is always with us. We remember one Saturday, Pastor Bugay and other brethren went to Kay-Anlog for our outreaches. They were so excited to come because of the hungry souls who were waiting to hear the Word of God. Along the road, our pastor and other brethren felt something in the owner jeep but they just ignored it and their travel was so smooth and they reached Kay-Anlog safely. After the service, as they went back home, they noticed the different sound that was came from the owner and then again, pastor ignored it thinking that it was just a muffler of the jeep. But when they were to across the highway road of Brgy. Parian, one driver noticed that the tire of our jeep was wiggling so pastor Bugay place the jeep on the safe side and looked at the tire. As he put the jack into the tire, the tire automatically removed. We are very thankful to God! His protection is always on us because if the tire removed while Pastor Bugay was driving fast, accident would surely happen. We are so blessed that there is God who's always in control. We may not know what will happen to us as we continue to work for Him but we have faith that God sees our desire and willingness to work for His kingdom.

For all these victories, we bring back all the honor and glory to our Lord Jesus Christ!
