

CALAMBA CHURCH VICTORY REPORT FOR THE MONTH OF OCTOBER 2015

The Calamba saints greet you in the name of our God Jesus. We are so much thankful to God for giving us victories in our life. Last October 28, 2015 the new church building successfully dedicated. Bishop and Ma'am White were there together with the precious people of God in America and in Canada. Some of them were the major sponsors of the church building. We were so blessed by the preaching of Eld. Schroader. More or less 300 people attended in the service. Many saints from different churches in Luzon together with their pastor came. We are thankful to God for providing our needs during that day. Many first time and regular visitor witness the dedication of the church and heard the word of God.

The following days were the youth camp where we are the host church. Everyone were blessed during that days that's why we are not stop to work in the kingdom of God. The outreach program continue. Our outstation in Kay- Anlog grew. Many souls are continuously seeking the word of God. Also in the surrounding of Sampiruhan. As like in the preaching of Eld. Schroader during dedication service. The church was built for a purpose. And that is to became a place to worship . A place where the sickness heal and the place where the lost soul save. We believe by the will of God. The new church building will be filled by the new souls that will be born I God's kingdom. In this victories we continue to praise the mighty power of God.

To God be all the glory!
