

CALAMBA CHURCH VICTORY REPORT FOR THE MONTH OF FEBRUARY 2016

Praise the Lord! A blessed day to your office. The Calamba saints greet you in the name of our God Jesus Christ. We thanked God because He is the source of our victories. The gates of revival begin to open in Calamba. We are so thankful because our Lord guide us to the hungry souls in Calamba through outreaches. Every Sunday afternoon there's a lot of soul waiting for our brethren to come for their bible study. One of them is the big tribe of Badjao. Most of them are illiterate but some are not. And the leader of their tribe welcome us. We found them as a very discipline people and obey what they're leader said. During Sunday they are so excited to listen the word of God. Also in Kay-Anlog every Saturday we held our services by the leading of our Pastor and his wife together with the elders and saints in Calamba. We work hand in hand in the vineyard of God. Our Pastor delegates leader in our group and we are so happy to see more souls seeking salvation. As of now we have three souls candidate for water baptism. We are so excited working forward for the work of God here in Calamba. To God be all the glory!
