

## **CALAMBA CHURCH VICTORY REPORT FOR THE MONTH OF JANUARY 2016**

Praise the Lord! A blessed day to your office. The Calamba saints greet you in the name of our God Jesus Christ. We are so thankful to our Lord for making us a victorious church. We were praying before to have a permanent place to worship in Kay-Anlog, our outstation. Sometimes we held the services in Bro. Danny's home and sometimes in Bro. Darwin's residence. Our pastor asked the church to pray that will bless us a permanent place that will serve a place of worship in Kay-Anlog. And we are thankful to God because one of unbeliever who got a unit in Kay-Anlog wants to give up her place and our pastor talked to her to allow us to continue her unit, she agreed although there's a lot of bill she left. But by the help of God we paid it little by little. And we prayed that our God will provide our needs to finish the remaining balance of that unit. And Last January 30, 2016 we held our first service in that said unit. There are a lot of visitors during that day. Almost less than 30 persons attended in the service for the first time. And we believe soon revival arise in that place by the will of God. We also thankful to our God because in the surrounding of the church many souls reached through Sunday afternoon church witnessing program. We are so excited to what God will do in the revival in Calamba. To God be the Glory!
