

CALAMBA CHURCH VICTORY REPORT FOR THE MONTH OF MAY 2016

Praise the Lord, the church of Calamba greets you in the Name of our Lord Jesus Christ. We are so much thankful to God because of His goodness in our life. Our God continue bless us in all aspect of life especially in spiritual. We are so much thankful to Him for continue guiding us to the hungry soul who are searching the truth, as I reported four souls were baptized in water in Jesus name. And we are gladly seeing them continue serving and growing in God's grace.

There's another one soul we are looking forward to be baptize. He's name is Herminio Senfrido, fruit of Sunday outreaches; he's a lame due to an accident. But when He heard the word of God, he tried to walk and went to church by the help of his "saklay". Even though he spent a lot of hours in walking, he was so glad to be inside the church regularly. And now he is our regular visitor and he is very willing to search the truth and serve our God. He is just one of the souls we are having bible study with. And we are hopeful that soon we will going to see another fruits of our labor.

We are also thankful for the souls in Kay-Anlog whose willing to evangelize the word of God every Saturday afternoon by the leading of our beloved pastor, Pastor Bugay. We also believe that God will bless more souls in Kay-Anlog Church.

With all these victories we are giving it back to our Lord Jesus Christ. To God be the glory!

Respectfully yours,
Sis. Danah
