

CALAMBA CHURCH VICTORY REPORT FOR THE MONTH OF OCTOBER 2016

Praise the Lord! A blessed day to your office! The Calamba church greets you in the name of Jesus Christ. We thank God for his goodness that He continue give victories in our church. We have been blessed by the preachings we heard last Youth Camp held in Lucena City that really strengthen the faith of the young people. We enjoyed the beautiful messages of the annointed ministers from United States. And what most special on that event was when our sister got the Holy Ghost for the first time, she is Sis. JaimeeEstacio. She was so thankful because she received a special gift from God. We thank God for the American visitors that have been a great blessing for all the Youth.

We also thank God because a few days from now, we are looking forward to witness the water baptism for Bro. Herminio Sinfuego. He testified the grace and mercy of God to Him. He was abandoned by his wife and children because of his disability, he can't walk but according to Him he was very blessed because he found a new good family inside the church, and he feel the love of God that he never felt before. We thank God because Bro. Sinfuego decided to be baptized in the water, and be one of God's follower.

We give back all the glory and honor to our Lord Jesus Christ.

Respectfully yours,
Sis. Danah
