

CALAMBA CHURCH VICTORY REPORT FOR THE MONTH OF OCTOBER 2017

Praise the Lord! Greetings in the name of the Lord Jesus Christ, we here in Calamba are so much thankful for the continuous blessing and guidance that God poured in us. We are gladly tell that still open the door of revival in our place. We thanked Him for every time we go outside and evangelize he lead us to the hungry and lost souls. The youth are also encouraged to participate in evangelism every Sunday afternoon led by Bro. Marlon. They are happy to tell the word of God to their co- youth that are not yet know about Jesus. Some young men go to the house of their classmates and Bro. Marlon conducted the home bible study to them.

Thank God that every Sunday service we have a regular visitors who are still wants to seek God and the truth which are brought by brethren and also we thanked God for giving us a Pastor who feed and lead our Spiritual life. Pastor Bugay is also a big help in our evangelism especially in our outstation in Kay-Anlog Calamba. Every Saturday he and some brethren are very eager to go there to have a church service there for the brethren and visitors who lived there. And we believe God has a great plan of salvation in Kay-Anlog. We still praying for the open door of revival in this place and thanked God for He always hear our prayer.

It is also a great victory for us that once again God sent us a two great men from United States who visited our church. We are so very blessed to hear the preaching of Elder Gary Howard about "Curse Or Blessing?" once again we owned it as a big reminder of God in us as a Christian and also we are so blessed to hear the very encouraging message of Pastor Richard Wheeler it tells us that whatever heartbreak, testing's and disappointment that are encountered in this world because of the people but we need to remember that God never give us disappointment, God never give us heartbreak, He will never give us trials that we cannot bared and thank God because it makes us feel so comforted and it gives a lot of strength in our faith as we continue serving God. We are so much thankful for the effort, time and sacrifices that they are given just to visit and preached to us. We are praying that God continue to bless your life, your family and your church. And we give back all the highest worship and praise to our Lord Jesus Christ.

Respectfully yours,

Sis. Ann
