

## **Victory Report for the Month of January 2017**

Praise the Lord! A victorious day to your office. We thank God for the great victory that He gave to us. His healing power never fades.

Last January 2, our beloved pastor got sick. Sis Bugay noticed that Pstr. Bugay was experiences difficulties in moving so she called her daughter, Sis. Pabanil. During that time Sis. Pabanil were at their home at Caloocan. They decided to bring Pastor Bugay in the hospital where the doctor told them that Pastor had stroke twice. Pastor Bugay never felt discouraged to fight his sickness that's why the doctor amazed and really admired his faith. But the doctor still advised them to confine our pastor to monitor the blood clot in his brain because if this blood bleeding would not stop, Pastor Bugay may undergo surgery. But thank God for the pervent prayers coming from the different churches that our pastor has a fast recovery and the doctor said there's no need for him to undergo surgery. Thank God for his mercy. Thanks for his healing power. After only 3 days, our pastor was dismissed in the hospital. Our pastor always think about the work in Calamba. He felt sorry for the saints of Calamba if something will happen to him. He was very concern for the work in Calamba, although he still willing to work in God's kingdom, Bishop White advised him to rest. We are very thankful for the another life that Jesus gave to our pastor.

We are also very thankful because God used Pastor Pabanil and his family to feed our soul. God used him to send God's new, fresh and annointed messages to us. Thank God for the great work of God in Calamba Church.

We bring back to Him all the honor and highest praise! To God be the Glory.
