

Praise the Lord

Ecclesiastes 12:1 "Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them".

We thank the Lord for his goodness and mercy to us.

We also thank God for the lost souls that are attending in our services and one soul Joseph Mark O. Revere, turning 19 this coming September 10, received the Holy Ghost this 2016 Conference February 19, 2016 (Friday) at 2:00 in the afternoon. We gave glory to God for he was baptized in Jesus name last February 21, 2016(Sunday). Bro. Ezekiel invited him to go with him in the church last December 2015. He was his friend since elementary years. Bro. Joseph felt nervous the first time he went in the altar and heard them speaking in tongues. At first he was confused and can't understand why they lift up their hands and cry. But as he continuously attending church services, he understood that we need to praise and to worship our Lord Jesus Christ. His parents beliefs were devoted Catholic but he seldom attend in their church because he's always in his peers. He was invited by his friend (bro. Ezekiel) this 2016 Conference, he want to come but he is studying 2nd year high school. Pastor Jonathan Pabanil also encouraged him to attend in the Conference for that is for the Lord. And we thank the Lord because 2 days left and he decided to come leaving behind all his worries in his studies. Before, he is living in his grandmother house because he doesn't want to obey his parents. His grandmother owns a small carenderia and he helps her after school. His father stays in their home because his left body was already paralyzed while his mother is a teacher teaching English in Columbus College and he has 2 siblings. After attending 2016 Conference, he went home in their house for he understands that he needs to obey his parents, for the bible says in Ephesians 6:1 "Children, obey your parents in the Lord: for this is right". His parents were happy because he changed into good. He now always obeys his parents. His classmates in school were shock to the changes especially in his hair cut because before he has a long hair. He is thankful to God because he understands the plan of salvation and that he needs God in his life. Now, he is always attending every young people activities, seminars and services and is helping in the church volunteer works. We thank the Lord for this soul who decided to serve God in his youthful life.

Glory to be God!
