

## First Service Initao Church

“Praise the Lord “

September 20, 2015 Sunday at 2:00 o'clock in the afternoon we had a first church service in Initao Church. I encourage all the church members of Initao church to go forward. We had a good service, once again God visit in our service. There was a great moved of the Holy Ghost, some Initao church members were fully revived in the Holy Ghost. God gave Initao church people a new strength to continue the journey. They were so happy after our service.

With regards to the Balmes family, so far as of this time they are so busy making some repairs of the church property. They were so happy a new challenge for them in the field of ministry.

I also encourage the church people in Initao especially the young people to participate and help the Balmes family to promote evangelism.
