Reaching the world through the Philippines

## Highlights of 2015

### Changing of the Guard

A great privilege was given to my wife and I to help a very worthy mission in the Philippines and Southeast Asia. We have been received with open arms and open hearts, by the most sincere, hard-working people you could ever hope to meet.

Around 84 churches from all over the U.S.A. and Canada have responded with incredible generosity to help us make unprecedented progress in our first year of service. These photos reflect what God can do when His people on both sides of the world bind together for a book of Acts revival.

Thanks for your help!
