Bishop, thank you so much for the response of the needs of Lanise Church, for more than 20 years now we used that area. Few weeks from now we have to buy that lot. Please give our thanks to Pastor P.J. White for his burden and love to Lanise Church people, providing us the financial to buy that lot. Our prayers that God will bless him more and his family.

After we finish the construction of Barra extension building, we will bring to Lanise Church some extra lumber and build immediately the new Lanise Church building, we will use bamboo.
