

PASAY CHURCH VICTORY REPORT (OCTOBER 2015)

Praise the Lord!

First of all, we would like to give the highest honor and glory to our Lord Jesus Christ. We are so thankful for all the blessings and victories He always giving to us. Last October 24, 2015, Pasay church brethren together with ACTS Students, Sis. Beth Malubay and Minh family work together for the kingdom of God in our regular Outstation Tiaong, Baliuag Bulacan. At 1:00 pm they followed up home Bible Studies and had visited the lost soul for a long time. By afternoon at 4:00 pm, they were gathered to begin the regular service. We had an attendance of 45. Bro. Minh preached about “ One Way “ with the scriptures John 10:9, Rom. 6:22, John 1:4-5 using the Bible. All of them were so blessed by the preaching. The visitors went to the altar and worshipped the Lord. We keep in praying for our Outstation that God will move to the hearts of our regular visitors and mold them in a special way. We have faith that God will give us more souls in Tiaong, Baliuag Bulacan.

Sis. Herminia Sulit

We are so thankful to God for using Sis. Herminia Sulit to offer a service for Pastor Bunog and his family. As Sis. Herminia testified, she said that she really felt this burden for her Pastor. She saw the hardship to commute going to Bulacan. They were always in a hurry to ride especially at night where buses have last trip from Bulacan to Manila. She was blessed by God and offered this blessing to her Pastor. She prayed that God will continue use her in his own way.

Pastor Bunog

Pastor Bunog is very thankful to God for this blessing that he's also been praying for a long time. He prayed that God will bless him a service to use for every church works especially in Evangelism. He is so thankful that God finally answered his prayer. God really knows the need of his people and he will give it in the right time. He is now using it going to Bulacan with his family and some of the brethren in Pasay who went there. Pastor Bunog was happy and so thankful to God for this blessing and he gave all of the praises and honor to our Lord Jesus Christ.
