Praise the Lord!

We are so thankful to God that three souls (Bro. Joseph Ayag, Sis. Cristina Ayag and Sis. Monica Lhynce Dacles) were baptized in the name of our Lord Jesus Christ last April 23, 2016 Saturday and in that day was our church swimming day at Costa Abril Resort Swimming Pool in Montalban, Rizal.

TESTIMONY OF SIS. CRISTINA AYAG

I thank God for the opportunity that He gave to me; I remembered when I came in Manila from my province. I did not know how to worship the true God, and I did not know who Jesus is? And my mother brought me in the Apostolic Church I haven't known anyone of them, and I noticed that all of the people in congregation wearing a long sleeve and I noticed also that the young ladies and mothers have long hair and I was amaze to them because they are not complaining even it's hot, and I noticed when the brethren worshipping they are crying and shouting loud and I don't understood what they spoke. Then after that by and by I learned why? And I studied many things about Bible, about Jesus. Until I decided to be children of God and when Pastor became a pastor of Payatas Church, I learned much more because he wanted all of his member to know about the foundation of Apostolic Pentecostal Church. Then my younger brother and I decided to be baptized in the name of Jesus. Before we baptized, Pastor Nhut taught us the doctrine about baptism for almost 3 to 4 months so that we were truly understand about the doctrine of baptism water in the name of Jesus Christ for remission of my sins at Swimming pool. And when I deep in the water I felt that God is my side. And I thank God because He makes me a new creature as children of God, and He makes me different to the worldly people.
