

PAYATAS CHURCH VICTORY REPORT (JULY 2016)

**Greetings In The Name Of Jesus,
First Of All We Give Glory to Our Lord Jesus Christ**

We are so thankful to God for His great work in our regular visitor Mrs. Jocelyn Balisbis (Picture 01) that carried her one year old son. Last July her son, had diarrhea because of drunk unpurified water that cause her son had stomachache, had many bacteria when poo. That bacteria cause the Child's skin near anus to be wounded, by and by becoming big and expanded the skin, it's hard to be healed. She took her son to check up at Clinic; the doctor said to her, this wound need to surgery, in order to take out of thick wounded skin that can cause Cancer. She heard that news, she was worry, and cried so much.

The young people and the Minh family visited her time to time, and conducted the Home Bible study, God really comforted her by His word, and the Holy Ghost touched her and cried. She asked prayer for her son to be healed. Payatas church prayed for her and her son. She continued to follow up her son at Clinic, the doctor said to her, she needs to wait for her son become strong body, before they surgery. When her son became strong, the doctor gave her another schedule for surgery. Until such a time God did miracle to her son. God did not allow her son to surgery; God started healing her son, no more diarrheas, and no more the thick wounded skin called (Fistula) got dried and healed. Now her son receives complete healing. Glory to God.

We are also thank God for Evangelism program, the Church still welcome the first time and regular visitors that come to Church. (Picture 02-04) God takes care of His people and provides their needs.

To God be the Glory!
