

PAYATAS CHURCH VICTORY REPORT MAY 2016

**Greetings In The Name Of Jesus,
First Of All We Give Glory to Our Lord Jesus Christ**

Praise the Lord! We are so thankful to God that used the Acts internship and young people to evangelize and have Bible study.

Young people fellowship at every Saturday morning at 10am.

Testimony from young people: the young people were so blessed and grateful in their youth service led by our pastor Minh Nhut with his wife Sis. Onyx. They learned many things about serving our Lord Jesus Christ in the day of their youth. Here's the highlight of the learning that they learned during this kind of fellowship; be a good example to other youths, working together for God's Kingdom, strengthen each other's faith, courtship policy, listen the voice of God through dreams or visions, flee from the youthful lusts and follow righteousness, faith, charity, peace with pure heart. Thank God for this wonderful fellowship that keeps our young people focus on their living for God. All Glory and Praise to be in Jesus Name!

We were strengthened our spiritual life because of encouragement teaching of our pastor, and we're built a strong faith because we saw every one of us being strong in the Lord and united. We're encouraging to continue to the Lord because of the things that we hope by faith, and because of this fellowship we learn a lot like how the young people's importance and as the young people to follow the will of God, and the young people enjoy activities while we have fellowship. We are strong that we need to stand and finish the race like what our parent done, and when we are playing, we are not only enjoying but also learning about something about how can we apply what we learn.

Testimony from Mrs. Joselyn Balisbis: When she was young, she served the Lord at UPC Church, when she got marriage with an unbeliever; she did not serve the Lord and became a backslider for a long time. A few months ago, she encountered some problems in her life and her family, she really remembered God and His goodness, she started praying to God to look for the true Church, because she just saw the Trinitarian Church, she did not like to go there. One night she saw a dream "one house have four pillars" really she did not exact the meaning that dream until one day she went outside the Payatas market, she saw our apostolic ladies always wear shirts, she found where's our Church, and schedule of service, she wanted to go to Church. At that time she was happy and cried to God during she saw our Church with some the young ladies in the front of Payatas Church, she said on Sunday she would come to worship God. That Sunday she visited our Church service, she felt warm welcome, presence of God, felt love from the saints, then she understood about Dream had 4 pillars that God show her the True Church of God.

Now she is a regular visitor and she also invites her mother and her sister to visit our Church. Her life becomes better when she comes back to the Lord. We thank God for His guidance.

To God be the Glory!

Sincerely yours,
Bro. Minh, Nhut
