

# PAYATAS CHURCH VICTORY REPORT

## OCTOBER 2016

**Greetings In The Name Of Jesus,  
First Of All We Give Glory to Our Lord Jesus Christ**

**Last October 10, 2016** Pastor Jonathan Pabanil preached for us “THE LIFE IS SHORT - preparing a life for the eternal life”, the Holy Ghost moved strongly among the saints and visitors. We were so happy and blessed through the wonderful message. We are so thankful that God used the man of God to minister the word of God for us.

**Last October 13, 2016** The Minhs family was also thankful to God, who's a Provider. Last March 2016 the Minhs had purchased for their three promo tickets in Cebu Pacific Airline dated Oct. 16-20,2016 (*NOTE: if buy promo tickets it is not refundable, transferable, and can't rebook*) their family had plan to attend Conference in Mindanao, after a few months the schedule of Mindanao Conference was changed to Oct 19-21,2016. The Minhs continued praying to God for this trip, really they wanted to go to attend Mindanao Conference A.D.M.I.T. God knew their needs, they are thankful that God used Bishop White (Mission) to purchase another three air tickets in Philippine Airlines dated. In this month they encountered limited budget, not enough money for transportation, terminal fee and lodging. They didn't think to borrow money or trust the people, but they trusted God's provision. Pastor Minh fasted and prayed to God for God's will. He said, *“Oh Lord, I am a pastor, my income would depend on the sheep, if they had more income, I also had more income by giving their tithes.* He continued praying to God, *“Lord truly we depended on You, not on the people”*. God really heard their prayers, He did miracle. Last Saturday afternoon Oct. 15, 2016. God sent a storm into the central of Philippines, in this time the Cebu Pacific Airlines had canceled all flights from Manila to Mindanao dated Oc.15 and 16. The Cebu Pacific Airline allowed the passengers to rebook the flight or refund the money. They were so happy when they heard that news, they knew God did wonderful things and answered their prayer. Last Oct. 17, 2016 they went to Cebu Pacific Airline Company to refund money. They thanked God for His Greatness; the money that they refunded was enough for their expenses in Mindanao Conference. Truly we depended on God's control. Thanks God for His blessings, they didn't expect that they refund the money. It's impossible to man, but possible to God. Glory to God.

**Last October 23, 2016** Pastor P.J. White to preach for us an anointed message “TOUCHING JESUS - The sick woman tried to touch Jesus”. We are thankful for the touching of God on us, the Holy Ghost moved so strong in this time. We are so blessed.

God really knew the needs of the young people in this time to prepare to go to Lucena Church for Youth Camp. All the young people were very excited to attend the youth Camp; they prayed and worked hardly for their contribution for the youth camp, God used one sister of the Church to offer the work to earn enough money for their Youth Camp contribution. But they still lacking for their transportation to go to Lucena Church, they had faith and kept praying to God for His provision. God really answered their prayers in the last hours before their trip. God really sent Pastor P.J. White to preach the Word of God on us, and God also touched Pastor P.J White to provide the transportation for us to rent the van to go to the Lucena Church for youth camp, and Church Dedication. God is so great; he does the amazing things out of our imagination.

We are also thankful to God for the work of God continue to evangelize and Bible studies, we thank God the unbelievers are still interest to hear the truth, some of them visited our Church service. They were happy. The saints of God are strong in the Lord and happy.

## God did miracle in Home Bible study

Praise the Lord, God is really good and faithful to those hungry soul to His word. Last October 14, 2016 Bro. JR Tanchiatco and Sis. Rowena Villalobos went outside to witness the word of God. One old woman Mrs. Mallen Amorcillo, 57 years old accepted for Bible study, God moved in their midst at that time, this woman could not stop crying because she suffered sickness for several months. Bro. JR taught about "Remembering God while we have strength". She was blessed at that time until God healed her sickness after a couple days.

On October 18, 2016 she suffered painful in her body because of her menopausal age, she's bleeding for many days. We invited her to attend in our special service on Oct. 23 because Pastor P.J White will preach on that Sunday but she still did not have strength. On October 28, we visited her again in her house, she's suffering for her sickness. Bro. JR brought the message that Pastor P.J White preached last Sunday about "Touching Jesus". There's a woman also having an issue of blood. God touched this old woman at that day and we felt the goodness of God. On next day, God gave her complete healing from our Lord. She's very happy to visit the house of Sis. Rowena and testifying how great is our God, she's crying and jumping because the greatness of God in her life. God is really wonderful and so powerful.

To God be the Glory!
