

PAYATAS CHURCH VICTORY REPORT OCTOBER 2017

**Greetings In The Name Of Jesus,
First Of All We Give Glory to Our Lord Jesus Christ**

We are also thankful to God for the work of God, He continues to use the young people to evangelize and Bible studies for the lost souls we thank God the unbelievers are still interest to hear the truth even the children, some of them visited our Church service. We thank God for the burdens that God puts upon the saints for the lost.

Praise the Lord! It is a great blessing for us to have Bro James Short and Bro Carrier in our church last October 14, 2017. We remembered how God used Bro Short in our Church for several years bringing the great work for God's kingdom. He exhorted some words of encouragement to us and the Holy Ghost began to move very strong in our midst. After that, Bro Carrier preached to us about "God hears the cry of Israel from their being bondage". Once again, the Holy Ghost fell among of us and touched all our first time and regular Visitors. It is a tremendous blessing for us hearing the message of God from those men of God to strengthen His body.

He's been so great to all of us. We are so blessed and glad to hear the testimonies of our young people (Bro Jr Ayag, Bro Joseph, Bro Jr Tanchiatco, Bro King David, Sis Irish Mae, Sis Abbygale, Sis Ma.Nita, Sis Cristina, Sis Monica, Sis Eunice and Sis Sreyphal) who are able to attend their Luzon Youth Camp this year 2017 last October 16-18 held in Taguig Church and in Tagaytay City. They said that God really helped them to have the fee for this event. We remembered that these young people sell different foods surrounding the church and even in their school. God touched the people to buy and contribute for their funds. Thanks and glory is unto God. Our young people were strengthen and changed by God after this event. They become more prayerful and more willing to work for God's kingdom. We were so blessed to see these youth responding to the will of God in their Life. They testified how the Holy Ghost moves very strong in every service and how the message of God delivered by the preachers (Evangelist Watson, Evangelist Carrier and Pastor Collins Jr). Our highest praise and thanks be unto Jesus Christ. Honor, Respect and thanks to our Bishop and Ma'am White for helping this event to be possible and successful.

We are so glad to have Pastor Richard Wheeler again in our Church last October 21, 2017. We remembered his first time to visit in our church year 2010 in the time of Pastor Danilo Bugay. We are just conducting our church service in the front of the House of Bro Jr Tanchiatco and there were few souls attending there. But now, God blessed us a place where to pray and worship God, our own church especially precious and faithful saints of God. Pastor Wheeler preached on that night about "a woman who had trouble for a long time". The Holy Ghost moves very strong during the altar calling and all our regular visitors were touched by God. We believed that God

poured out His healing and blessing to each of every one of us especially to one of our regular Visitors, Mrs. Emierose Jose. She is a woman who suffered epilepsy for long time and always possessed by the evil spirit. She cried out unto the Lord and the tears in her eyes seems can't stop because of the presence of God. We are looking forward for the complete healing the Lord will give to her. Glory to God and Praised be unto Him.

We are so amazed and grateful to our Lord Jesus Christ for filling His Spirit to Sis Mariah Asia Mengolio, for the first time last October 29, 2017. She was only 6 years old and the only daughter of Bro Henry and Sis Maribel Mengolio. Pastor Nhut preached about "the Benefits/Importance of the Holy Ghost" during that service and there were great move of the Holy Ghost in our Midst. We witnessed how our brethren, First time and regular visitors, and children touched by God. There are tears flowing from their eyes and weeping for God. Sis Asia was one of those children touched by God and she spoke brand new tongues uttered by the Holy Ghost. She got the Baptism in water in the name of Jesus Christ last November 3, 2017. It is a marvelous work of Jesus in our church. He changed not. He can fill all of us with His powerful presence. God bless!

To God be the Glory!
