

## **PAYATAS VICTORY REPORT MONTH OF OCTOBER**

Praise the Lord.

It was a good month of October in Payatas church. We had a part 2 evangelism led by the Minh's family. Before our church service in the afternoon, the students with the young people of Payatas church go to the park in the morning (Wild life) then have fun seeing few kind of animals and the good ground with lagoon. It was a refreshing moment for the students staying inside the church premises of Bagong Silang and go out twice a month for evangelism in different churches.

In the afternoon, students and the young people of Payatas church do a house to house witnessing and invites people to attend church service in that afternoon.

Payatas church was blessed by the student's testimonies. They were encourage specially those that been a long time did not attend church services. Bro. Minh was the preacher during that time and they were all blessed with the preaching. The Holy Ghost moved strong and almost all the attendees were filled and revived in the Holy Ghost.

After the service, after God pour out His spirit, also God blessed us with many food in our potluck and we enjoy in our fellowship.
