UPDATE

12 YEAR OLD GIRL TOUCHED IN CAMBODIA

We are so grateful for the good work being done in Cambodia. This is an encouraging report about a 12 year-old orphan girl who was dying with AIDS when God touched her. As you can see from this report, life is so difficult in Cambodia. They have not recovered from the devastation of the Pol Pot regime back in the 70's. These two fine couples are dedicated to preaching the truth. Thank you so much for helping make this mission possible.

In His Service,

Khmer Church Victory Report

Greetings In The Name Of Jesus, First Of All We Give Glory To Our Lord Jesus Christ

At Kilometer Number 9 Near Mekong River, Phnom Penh

Last February 14, 2013, on the third day of Chinese New Year. Bro. Nhut and Sis. Onyx received a phone call from our Bible study (Joshua and Yen from Kampong Cham) to ask pray for a little girl. We said to them, yes we are willing to go there and pray for that girl. Her name is Tuyet, 12 years old, got AIDS from her parents that they had transmitted to her. Her parents had passed away because of AIDS disease when she was born for a few months. After her parents died, she was taken care by her auntie and grandma. When she was child to grow normally, diseases continually develop to destroy the blood cells. In picture 02- This time she had very sick; she could not walk, eat, and only lied down on her bed. She had very skinny, her skin became black; her mouth had many wounds, seemly dying. When we saw her, we had compassion on her. Bro. Nhut encouraged her to have faith and trust in Jesus, and then he prayed for her by the name of Jesus to restore her life, to destroy the works of the devil. We also gave some advices to her auntie and grandma to concern her more, not only give foods for her but also love and encourage her.

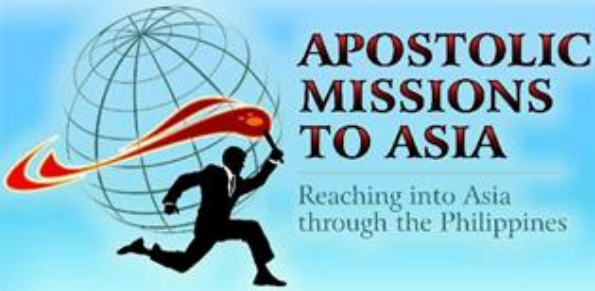

Last March 24, 2013 after Philippines and Vietnam trip; Bro. Nhut and Sis. Onyx visited Tuyet, we are so thankful by the powerful Name of Jesus, she became strong, she can walk and eat better, her skin returned normally, no more wound in her mouth. Now we are continuing teaching the Bible to her and her grandma. We thank God for His powerful words that can save and rescue sinner from sin and death. Glory to Jesus! Please continue to pray for this little girl and her family that God saves them.

Picture 01 – Last July, 2011 Bro. Nhut and Sis. Onyx had Bible story with the Vietnamese Children. In this time, a little girl Tuyet (on the Picture 01) about 10 years old, she still had healthy bodies. We did not know her AIDS disease yet. After a few months, she stopped to hear the Bible story until we knew she got AIDS from her parents. We felt sad about this.

Picture 02 – This picture was taken on Last February 14, 2013, on the third day of Chinese New Year. The little girl, her name is Tuyet, 12 years old, got AIDS from her parents that they had transmitted to her. This time she had very sickness, she could not walk, eat, and only lied down on her bed.
