## Exciting Report from Vietnam!

We are so excited to announce the start of a new work in Vietnam. We have been sowing seeds of the Gospel in Vietnam since 2006. Bro. Minh Nhut is from Vietnam. He attended ACTS Bible College in Manila for 3 years. He sat under the ministry of Eld. Cajanding for a year and married Sis. Onyx a faithful Filipina girl who is third generation in our fellowship in the Philippines.

This fine couple worked in Cambodia for three and a half years, helping get that work started. Now they are in laboring in Vietnam.

We are thankful that God is opening a door into Vietnam. When Bro. Minh Nhut first set out to go to ACTS Bible College in Manila, his mother who is a staunch Buddhist, opposed him very strongly. After Bro. Nhut graduated from ACTS and married Sis. Onyx, I visited his hometown for their wedding reception. There was a large crowd present - I estimated between 60 and 80 people. Most of them would not acknowledge my presence. Of few who did acknowledge me, most would not shake my hand. They were from a strong Buddhist background. Many of them worked for the government, which would mean that they belong to the Communist Party.

I took my camera and started taking pictures of the children. First, this drew a crowd of children wanting to see the pictures displayed on my camera. Eventually, the mothers took interest and began arranging their children for special poses. Eventually, they were including adults in the poses and gathering around to see the pictures displayed on my camera.

By this time, much of the crowd was quite drunk and had lost some of their inhibitions. Between my camera and their booze, we were able to break down the barriers and develop a good relationship. By the time I left, there was a much better rapport, and they were inviting me back. They still send greetings and invitations to return. We thank God for that progress.

Last June, the Minhs had their first child - baby Pkaly. Bro. Minh's mother went to Phnom Penh for a month to help with the baby. She was in regular services during that time. It was so encouraging to see that she was beginning to respond to the presence of God before she went back. God touched her heart and the family seems to be much more open to the Gospel.

Last December, Eld. and Sis. Cajanding went to Cambodia to strengthen that work. They were able to help the Minhs move their things to Vietnam and to conduct Bible studies while there. Eld. and Sis. Cajanding are very able and faithful people who have been serving God since the early 80's. Both are well educated (important in Asia) and are fine people. We are thankful that God used them to help open this door into this Communist country.

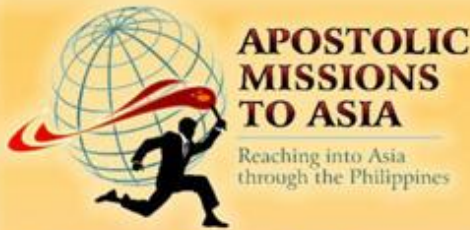

While in Vietnam, the Minhs and the Cajandings were able to link up with Thu who has some background in the truth. We trust that she will decide to serve God.

Bro. Minh Nhut has been sowing seeds of the Gospel in Vietnam for several years. During this time in Vietnam, our two couples were able to meet with John from Hanoi who seems to be hungry for the truth. We believe all this will translate into a great opportunity to get the Gospel into this country that suffers from the oppression of Communism; the delusion of Buddhism; and the bondage of paganism. Please help us pray that God will keep these people safe in His arms as they labor for Him.

In His Service,

E. W. Wheeler

## Bible Study with Sister Thu

Praise the Lord.

Sis. Cajanding and I arrived Hochimin with the Minh safe and sound on Dec. 10, Tuesday afternoon. Bro. Nhut and I made a good plan for the last three days of our stay in VHN (Vietnam).

The day after, which was Dec. 11, Wednesday was our first Bible study with Sis. Thu in the hotel where we are staying. If you notice on the picture Sis. Thu really needs a regular home Bible study. I taught THE MANIFESTATION OF GOD IN THE FLESH THROUGH JESUS CHRIST. That the BIBLE unequivocally declares that the fullness of God was in JESUS CHRIST. That GOD manifested in the flesh in the person of JESUS CHRIST for the salvation of humanity. We pray for her after the bible study.

We invited her to eat dinner and had a good fellowship. She send some pasalubong for our people in the PI.

Dec. 12, Thursday was our trip to Bro. Nhut's native home. They gave us a warm welcome. They were very happy seeing baby Pkaly. We ate our lunch together with some of Bro. Nhut's relatives. Before we left in the afternoon was our short exhortation and Bible study. I started by saying that they are bless because they have a good son and brother like Bro. Nhut, who loves God very much and loves the truth so much. I know that they love Bro. Nhut and reciprocally Bro. Nhut loves them too. It is his desire that what he receives from God he would like to share to his love ones. It is his desire for them to know the truth about God. I told them that the reason why mankind has so many problems, sickness, pain etc. is because of the sins of the world. But thank God through the faith in JESUS CHRIST all our sins can be washed away and can be forgiven. That God loves them too and that they have a son and brother like Bro. Nhut that could be a channel for them to have faith in JESUS CHRIST.

We pray together before we left and ask GOD to send the Spirit of revelation in this place and open the understanding of this people to have faith in HIM.

We arrived in the city safe and after a few minutes of rest, we received two of Bro. Nhut's friend that have the desire to go to Bible school in the PI (Philippine Islands). One of them was name John from Hanoi. He learned about JESUS CHRIST when he was in Malaysia six years ago now. He is presently attending trinitarian church in Hochimin and would like to know more about the Oneness of God. He is fluent in English and seems with a humble heart. I encourage him and gave him a chance that he could try to study in ACTS. I told him that one of the important qualification is to attend regular bible study with Bro. Nhut who will be staying here. He discussed with Bro. Nhut the proper arrangement for this. John asked for a prayer before they left. We pray together and ask God to give this young man an opportunity to know the truth and be saved in the mighty name of JESUS. It was a very busy day but a fruitful day.

Thanks be to God. Thanks to bishop and ma'am for your prayers and support. Thanks to all our fine sponsors. Thanks to all faithful brothers and sisters.

Our love and God's blessing.

Your son in the faith,

*Brother Cajanding*
