## ELDER H. W. MCDANIEL

(March 21, 1931 - February 19, 2019) had a great love for missions around the world. But the effort he was most involved in was with churches in the Philippines. He served as secretary for Philippine Apostolic Missions (later renamed Apostolic Missions to Asia) from 1979 - 2000. He had a great love for the Filipino people. After retiring from pastoring, he oversaw the construction of the facilities that would serve as headquarters for the Philippine Mission, ACTS Bible School and local church building in Bagong Silang. Although he pastored for 40 years and saw many things accomplished during his tenure as pastor, he often spoke of how the most rewarding days of his ministry were spent in the Philippines.
