We also give thanks to our visitors from United States: Pastor Featherstone and Evangelist Jerry Mullins from Canada for visiting our Taguig canopy see the wonderful work of our Lord in this place. We give thanks to our Eld. Cajanding and his family for coming also. Evangelist Jerry Mullins had a good message to us in Matthew 5:8 ( Blessed are the pure in heart; for they shall see God. He said, if you have a transparent heart the lord will bless us and that the Lord is looking in our heart. Thank you Lord for this wonderful message for us.

Praise the Lord,

We give thanks to the Lord for the minister's of the Lord from United States of America and our Bishop White for coming here in Pasay Church last Thursday, April 28, 2016. They had come to see our wonderful work in the Philippines and to promote the ACTS Bible School. The Stewart Family testified to us of hoe grateful they are to be here in the Philippines. Pastor Stephen Miraflor preached about " Living like the Book of Acts ". Every chapter had a very good set of example of How we should live in this world so we could turn the world upside down. The quoted verses are Acts chapter 1-10. We thank God for the strong moving of the Holy Ghost during our altar calling after the preaching.

Praise the Lord,

Sis. Vangie Tibajia our Sister in Christ in Tiaong Baliuag, Bulacan testified How great is our God when we completely trust in him. His older son, Mr. Erickson Tibajia, 34 yrs. old had an accident last March 18, 2016 at 11:00 pm in his boarding house, he was drunk and was sleeping in his double deck bed and fell down to his one of workmate. He was brought to Lourdes Hospital in Manila but the bills that cost them was very high so his wife plan to return home and admit him to Bulacan Hospital. Sis. Tibajia didn't know yet about what happens to his son because their family knew how we would be worried so much that may cause her to get sick also. So they waited for Pastor Bunog to tell about the son of Sis. Tibajia and to personally asked for prayers. As Pastor Bunog preached in our regular service in Tiaong Baliuag, Bulacan the message is about giving comfort in your heart through Jesus. There is the moving of the Holy Ghost during the altar calling and Sis. Tibajia was revived. After our service, Pastor Bunog and the brethren were gathered together to tell Sis. Tibajia about his son, as Pastor Bunog was telling her she is somehow little bit worried but she said God will help me in this. Please help me in prayers and thank God that I

have my sisters and Pastor in Christ that will help me in prayers. When the family of Sis. Tibajia heard that she us somehow at peace and in comfort they saw How the Lord is doing great. Praise the Lord.

Mr. Erickson Tibajia was confined in East Avenue Hospital he can't move his feet He was not able to stand up so the doctors told them that he will undergone spinal cord surgery to move the mis-aligned vein that made him like half paralyzed. Sis. Tibajia asked for Pastor Bunog to pray for him before his surgery last April 23, 2016 at 11 am. Pastor Bunog had a short Bible Study in the hospital before they prayed for him. Praise the Lord for the said operation that was made was successful! Thank you Jesus.

Another testified to the Lord, Sis. Tibajia our sister in Tiaong Baliuag, Bulacan thank the Lord for giving her a peace heart and mind and to accept the unexpected death of his son Mr. Erickson Tibajia after the successful operation in his spinal cord he had a low blood pressure that caused him to be in danger situation. Sis. Tibajia was crying and talking to God about his son. She can't bear to see his son in great pain to death so she said, Lord I love my son, thank you for the life that you've given to him but your will be done now and I will let go even it hurts me so much after half an hour of talking to his son, he died. And the tears went down to Sis. Tibajia. Thank God for the comfort you give to our Sister in Christ
