

VICTORY REPORT OF PASAY CHURCH (MONTH OF JANUARY 2016)

TIAONG, BALIUAG BULACAN

We are also thankful to God for giving us a wonderful service in Tiaong, Baliuag Bulacan our regular Outstation last January 23, 2016. We had 2 first time visitors and 25 regular visitors attended in our afternoon service. Pastor Bunog preached about " The New Jerusalem " using Search for Truth. The Holy Ghost moved after the preaching and some of the visitors are seeking God during the altar calling. We are still praying and waiting for the perfect time that God will call them to serve Him with their whole heart. We are always praying that God will send revival in our regular Outstation in Bulacan.

CAVITE CITY

Greetings in the sweetest name of Jesus. Praise the Lord! Thank God for giving us again victories that strengthen us and encourage us to work more for His Kingdom.

Last January 03, 2016, Pastor and Sister Bunog and some brethren in Pasay went to Cavite City at the house of brother Vidal Family and his family to conduct a Bible Study. Mr. and some neighbors had been blessed by the message of God as Pastor Bunog taught about " One God " using Bible. We are all felt the presence of the Lord and happy till the Bible Study had finished. Thank God for giving us new souls willing to listen and study the word of God. The Vidal Family is willing to have a once a month Bible Study in their house for their relatives and neighbors. Thank God for this new burden and work He's given to us.

TAGUIG PROPERTY

Thank God also for our victory for accomplishing the new gate and signage in our new rising church at Taguig City. We give thanks first to Bishop and Ma'am White for helping us have this new lot in Taguig and to all the brethren in America who supported this project and prayed to make it successful. We give thanks also to our Elders in Luzon and Mindanao who helped and prayed for this lot in Taguig. Lastly, we give thanks to all the brethren in Pasay and Bagong Silang volunteered and skilled who made the construction of gate and fence looked beautiful. Also to the brethren lived in Taguig who brought foods and snacks for the workers.

Above all, Thank God for all these victories He's always given to us.
